RE: Urban County Qualifications and Requirements-  
Community Development Block Grant Program;  
Fiscal Years 2018 - 2020

Dear Municipal Officials:

In order for Westmoreland County to continue to qualify as an Urban County and in accordance with HUD regulations, we are notifying each unit of government of its options regarding funding through the Community Development Block Grant program for Fiscal Years 2018 – 2020. Those communities that opted-out of the County's Community Development Program three years ago did so for Fiscal Years 2015 – 2017. All municipalities must now make a new decision for the upcoming three (3) year period.

You have the option of either withdrawing or not withdrawing from the County's Community Development Block Grant Program. In considering your options, please keep in mind that if your municipality elects to withdraw from the County's program, the municipality cannot be the beneficiary of any County CDBG funds for a three (3) year period (Fiscal Years 2018, 2019 and 2020).

Conversely, if you choose to be included in the County's program, you cannot apply for Community Development funds under the State CDBG Program for the same three (3) year period. In order to determine if your community would benefit from being included in the State CDBG Program, you need to contact the Pennsylvania Department of Community and Economic Development (DCED). If you desire to contact the DCED for information on the State program, we can provide the appropriate information.

In addition, if your municipality chooses to be included in the County's program, you will be a participant in the HOME Investment Partnership program, a separate federal program which focuses on housing. Your municipality may not participate in a consortium under the HOME program except through Westmoreland County. This does not mean that your municipality will automatically receive HOME program funds, but that you would be eligible for HOME funded projects to be located in your community.

If you want to continue to be a participant in the County's program, you don't need to take any action or respond to this letter. If you choose to not participate in the County's program, you must inform both the County and the HUD Pittsburgh Area Office (Mr. John E. Tolbert, William S. Moorhead Federal Building, 1000 Liberty Avenue, Suite 1000, Pittsburgh, PA 15222-4004) no later than June 12, 2017. This notice must be in writing and be signed by the Chief Executive Officer.

3-B

If there are any questions, please contact myself at 724-830-3650 or Jennifer Woodling at 724-830-3615 if the municipality has any questions concerning these requirements
